

# Florida Specific Codes for NAP Roll

According to Rule 12D-8.009(3), F.A.C., property appraisers must use the North American Industry Classification System (NAICS) in classifying businesses as part of the requirements in maintaining the Name-Address-Property (NAP) roll. The Department of Revenue has found it necessary to supplement the NAICS list with codes that the current list does not specifically address. To facilitate Florida's specific property tax administrative needs, the department recommends using the following numbers not currently in the NAICS:
